

Seznam elektrických šroubováků

Model	Output Torque Range																					Unloaded Rotation Speed (r.p.m.) (HI / LOW)	Screw Size (mm)		Used in assembling										
	(kgf • cm)										N • m												Small Size Screw	Tapping screw											
	0	0.5	1	2	3	4	5	6	7	8	0	0.05	0.1	0.2	0.3	0.4	0.5	0.6	0.7	0.8	0.9					1	1.1	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9
BL-3000 Mini Type	█																					1000 / 960	1.4 - 2.3	1.4 - 2.3	Cell phones, digital cameras, optical pickups										
BL-5000 Mini Type			█																					1000 / 700	2.0 - 3.0	2.0 - 3.0	Computers, copiers, telephones, scanners, car navigation monitors, Automobile parts, TVs, air conditioners, fan heaters, video recorder								
BL-7000 Standard Type						█																					1000 / 680	2.6 - 5.0	2.6 - 4.0	Computers, copiers, telephones, scanners, car navigation monitors, Automobile parts, TVs, air conditioners, fan heaters, video recorder					
CL-2000 Mini Type	█																					680 / 490	1.0 - 2.3	1.0 - 2.0	Cameras, watches, eyeglasses, cell phones, digital cameras, hard disks, CD drives, optical pickups, car audios, car navigation monitors, mini video recorders, small calculators										
CL-3000 Mini Type	█																					1000 / 670	1.0 - 2.0	1.0 - 1.7	Cameras, watches, eyeglasses, cell phones, digital cameras, hard disks, CD drives, optical pickups, car audios, car navigation monitors, mini video recorders, small calculators										
CL-4000 Mini Type			█																					1000 / 690	1.4 - 2.6	1.4 - 2.3	Cameras, watches, eyeglasses, cell phones, digital cameras, hard disks, CD drives, optical pickups, car audios, car navigation monitors, mini video recorders, small calculators								
CL-6000 Standard Type						█																					800 / 500	2.0 - 3.0	2.0 - 2.6	Automobile parts, computers, printers, TVs, air conditioners, fan heaters, TV games, fax machines, communications equipment, copiers, scanners, laptop computers, jet printers, laser printers, satellite TV antennas, video recorder, car door mirrors, toys, electronic clinical thermometers					
CL-6500 Standard Type						█																					900 / 600	2.0 - 4.0	2.0 - 3.0	Automobile parts, computers, printers, TVs, air conditioners, fan heaters, TV games, fax machines, communications equipment, copiers, scanners, laptop computers, jet printers, laser printers, satellite TV antennas, video recorder, car door mirrors, toys, electronic clinical thermometers					
CL-7000 Standard Type						█																					750 (HI only)	2.0 - 5.0	2.0 - 4.0	Automobile parts, computers, printers, TVs, air conditioners, fan heaters, TV games, fax machines, communications equipment, copiers, scanners, laptop computers, jet printers, laser printers, satellite TV antennas, video recorder, car door mirrors, toys, electronic clinical thermometers					
CL-9000 High Torque Type											█																					530 (HI only)	4.0 - 6.0	4.0 - 6.0	Electrical components, computer parts, automobile compressors, pressurization equipment
SS-3000 Mini Type	█																					1000 / 670	1.0 - 2.0	1.0 - 1.7	High density boards, hard disks, car navigation monitor, CD, MD and DVD players, digital cameras, cell phones, watches										
SS-4000 Mini Type			█																					1000 / 690	1.4 - 2.6	1.4 - 2.3	High density boards, hard disks, car navigation monitor, CD, MD and DVD players, digital cameras, cell phones, watches								
SS-6500 Standard Type						█																					900 / 600	2.0 - 3.0	2.0 - 3.0	High density boards, hard disks, car navigation monitor, CD, MD and DVD players, digital cameras, cell phones, watches					
SS-7000 Standard Type						█																					750 (HI only)	2.0 - 4.0	2.0 - 4.0	High density boards, hard disks, car navigation monitor, CD, MD and DVD players, digital cameras, cell phones, watches					
Č-4500 Mini Type						█																1700/1200	2.0 - 3.0	2.0 - 2.6	TVs, communications equipment, copiers, fax machines, computers, POS systems, automobile parts, car door mirrors, taillights, headlights, electronic pianos, TV games, toys										
Č-5000 Mini Type						█																1000 / 700	2.0 - 3.0	2.0 - 3.0	TVs, communications equipment, copiers, fax machines, computers, POS systems, automobile parts, car door mirrors, taillights, headlights, electronic pianos, TV games, toys										
Č-6500 Standard Type						█																1700 (HI only)	3.0 - 4.0	2.6 - 3.0	TVs, communications equipment, copiers, fax machines, computers, POS systems, automobile parts, car door mirrors, taillights, headlights, electronic pianos, TV games, toys										
VZ-1510 Mini Type (100V)						█																					1000	2.0 - 4.0	2.0 - 3.0	Home lighting equipment, pressurization equipment, washing machines					
VZ-1820 Standard Type (100V or 120V)						█																					2000	2.6 - 4.0	2.6 - 3.0	Home lighting equipment, pressurization equipment, washing machines					
VZ-3012 Standard Type (100V or 120V)											█																					1200	3.0 - 5.0	3.0 - 4.0	Automobile parts, car audios, car navigation monitors, air conditioners, office lighting equipment, car door mirrors, taillights, headlights, gas fixtures, vacuum cleaners, TV games, video recorders, communications equipment, copiers, laser printers, microwave ovens, TVs, power tools
VZ-4506 Standard Type (100V or 120V)											█																					600	3.0 - 5.0	2.6 - 4.0	Automobile parts, car audios, car navigation monitors, air conditioners, office lighting equipment, car door mirrors, taillights, headlights, gas fixtures, vacuum cleaners, TV games, video recorders, communications equipment, copiers, laser printers, microwave ovens, TVs, power tools
VZ-1812 Standard Type (220V - 240V)						█																					1200	2.6 - 4.0	2.6 - 3.0	Automobile parts, car audios, car navigation monitors, air conditioners, office lighting equipment, car door mirrors, taillights, headlights, gas fixtures, vacuum cleaners, TV games, video recorders, communications equipment, copiers, laser printers, microwave ovens, TVs, power tools					
VZ-3007 Standard Type (220V - 240V)											█																					700	3.0 - 5.0	3.0 - 4.0	Automobile parts, car audios, car navigation monitors, air conditioners, office lighting equipment, car door mirrors, taillights, headlights, gas fixtures, vacuum cleaners, TV games, video recorders, communications equipment, copiers, laser printers, microwave ovens, TVs, power tools
VZ-4504 Standard Type (220V - 240V)											█																					400	3.0 - 5.0	2.6 - 4.0	Automobile parts, car audios, car navigation monitors, air conditioners, office lighting equipment, car door mirrors, taillights, headlights, gas fixtures, vacuum cleaners, TV games, video recorders, communications equipment, copiers, laser printers, microwave ovens, TVs, power tools
CD-4000 Mini Type						█																					1000	1.4 - 2.6	1.4 - 2.3	Office copiers, vending machines, industrial refrigerators, automobile interior assembly, home refrigerators, fax machines, fan heaters, TVs, industrial air conditioners					
CD-5000 Mini Type						█																					1000	2.0 - 3.0	2.0 - 3.0	Office copiers, vending machines, industrial refrigerators, automobile interior assembly, home refrigerators, fax machines, fan heaters, TVs, industrial air conditioners					
CD-6000 Standard Type						█																					1300	2.6 - 4.0	2.6 - 4.0	Office copiers, vending machines, industrial refrigerators, automobile interior assembly, home refrigerators, fax machines, fan heaters, TVs, industrial air conditioners					
CD-7000 Standard Type						█																					900	2.6 - 4.0	2.6 - 4.0	Office copiers, vending machines, industrial refrigerators, automobile interior assembly, home refrigerators, fax machines, fan heaters, TVs, industrial air conditioners
